DESIGN EXPERIENCE

UX CONTENT DESIGNER

Spectrum (Charter Communications) | 2021 - Current
Craft content to fit product needs. Uphold Spectrum style guide to ensure consistent voice and tone across products and platforms. Collaborate with product managers, designers, and developers to understand business goals and user needs. Iterate content based on stakeholder feedback and research.

UX RESEARCHER & DESIGNER (CONTRACT)

Convercent | 2020 - 2021

Completed in-depth interviews and collected customer artifacts. Supplemented research with study of best practices related to search functionality along with brief competitor analysis. Synthesized findings and presented research insights to a large team of stakeholders. Began initial wireframing and collaborated with engineering team to understand system capabilities.

TEACHING EXPERIENCE

TEACHER

American Academy | 2017 - 2020

Prepared, taught, and differentiated curriculum for literacy and mathematics classes at a variety of grade levels. Met and exceeded each student's Advanced Learning Plan goals, allowing for exponential growth over the school year.

TEACHER

Westgate Community School | 2015 - 2016

Created own curriculum for 3rd and 4th grade mathematics, literacy, and social studies instruction. Designed and maintained tracking systems for students with 504s, Individualized Education Plans, and those identified as needing Advanced Learning Plans.

BUSINESS EXPERIENCE

ADMINISTRATIVE COORDINATOR

FMI Corporation | 2017

Assisted the administrative team with a variety of tasks, from proofreading and editing documents for client use to preparing and organizing logistic details for meetings. Updated and organized contact and account data for hundreds of clients in Salesforce.

PROJECT ANALYST

First Data Corporation | 2012 - 2014

Performed extensive work within Microsoft Access, responsible for managing the Audit Findings database. Trained 30 auditors within TeamMate and the internal SharePoint site. Wrote and updated the department's desk procedures.
